## Graham Scott Enns Llp - St Thomas

### Introduction to Graham Scott Enns LLP

Graham Scott Enns LLP, located in St. Thomas, Ontario, is an accounting firm that has garnered attention for its services. However, client feedback has varied significantly, highlighting both positive and negative experiences.

### Accessibility Features at Graham Scott Enns LLP

One notable aspect of the firm is its commitment to **\*\*accessibility\*\***. They provide a **\*\*wheelchair-accessible car park\*\*** and a **\*\*wheelchair-accessible entrance\*\***, ensuring that all clients can access their services without barriers.

This focus on accessibility reflects the firm's intention to cater to a diverse clientele, aiming to create an inclusive environment.

### **Client Experiences and Feedback**

Despite the firm's accessibility features, client experiences reveal a contrasting picture regarding service quality. Some individuals have praised the professionalism of staff members, while others have expressed severe dissatisfaction. One client shared a troubling experience regarding the extended time taken to complete income taxes, stating it took 40 hours for three years' worth of work. This delays not only fostered frustration but also resulted in an invoice that was significantly higher than anticipated. Many felt the time claimed was excessive for relatively straightforward tax situations.

### **Concerns Over Service Consistency**

Another recurring theme in client reviews was the apparent lack of consistency within the firm. Numerous clients reported experiencing hand-offs between different accountants, leading to confusion and a lack of continuity in handling their accounts. One reviewer noted that they encountered four different accountants before finally reaching a senior partner, which left them feeling unsettled and dissatisfied with the overall communication process.

### **Positive Reviews Amidst Criticism**

On the other hand, some clients have lauded the firm for its professional approach and timely service. A client remarked on the exceptional work done for both personal and business taxes, emphasizing Derek and his team's expertise.

### **Conclusion**

Graham Scott Enns LLP presents a mixed bag of client experiences. While the accessibility features demonstrate a commitment to inclusivity, the variability in service quality raises concerns. Clients seeking reliable and consistent accounting services may want to weigh these factors carefully as they consider their options in St. Thomas, Ontario. Engaging with multiple reviews can provide potential clients with a clearer understanding of what to expect from this accounting firm.
