## *Phillips & Cohen Associates (Canada) Ltd. - Kirkland*

### **Business Management Consultant: Phillips & Cohen Associates (Canada) LTD.**

Phillips & Cohen Associates (Canada) LTD., located in Kirkland, Quebec, serves as a business management consultant specializing in estate management. The firm has garnered mixed reviews from clients, with experiences ranging from helpful assistance to alarming fraud alerts.

### **Accessibility and Services**

The company offers **\*\*accessibility\*\*** options, including a wheelchair-accessible car park, ensuring that all clients can access their services comfortably and conveniently. This is an essential feature for those who may face mobility challenges.

## **Client Experiences**

Many clients have shared their experiences while dealing with Phillips & Cohen Associates. One client noted, "The agent I worked with was very helpful once she confirmed I was the person handling my father's estate." This highlights the positive interactions some individuals have had, particularly during difficult times when managing a loved one's final affairs. Conversely, there are significant concerns regarding the firm's practices. Comments such as "SCAM ALERT!" indicate that numerous individuals believe they have received fraudulent communication from the firm. One user mentioned a letter requesting a payment of nearly \$40,000.00 related to a deceased individual sharing part of their surname. This type of complaint raises serious questions about the legitimacy of certain communications allegedly sent by Phillips & Cohen Associates.

## **Understanding the Executor's Role**

As pointed out by another reviewer, if you are an executor or trustee of an estate, it is crucial to understand your obligations. The review states, "if money is in the estate you have to pay off the debts owed FROM the estate before you get the rest of whatever is left over." This emphasizes the importance of proper financial management in estate handling and the potential repercussions of ignoring creditor claims.

## **Fraud Warnings and Precautions**

Multiple reviews warn of suspicious activities by the firm, describing experiences where clients felt pressured to provide personal information. One individual remarked about receiving an unsettling voicemail from what appeared to be an automated system, raising flags about the company's methods. Comments like, "They will call you if someone you know dies and demand money," point to the potential for aggressive collection tactics, which can leave clients feeling vulnerable and confused. If you encounter such situations, it is advised to demand proof of any claimed debts and to consult with legal professionals if necessary.

## **Final Thoughts**

In conclusion, while Phillips & Cohen Associates (Canada) LTD. provides accessibility features and has some commendable facets, various reviews reflect widespread caution due to allegations of fraudulent practices. Clients are encouraged to approach interactions with scrutiny and ensure they are fully aware of their rights and responsibilities as executors or trustees. If you feel uncertain about any communication from the firm, seeking independent legal

advice may be a prudent course of action.

<i>I had a conversation with Hekmet, and he was quite professional and accommodating. Both individuals I interacted with expressed their sympathies.</i>

<i>WARNING: This firm sent me a letter asking for nearly \$40,000 to settle a debt supposedly left by a deceased person with a similar surname to mine, but no relation. It seems they were hoping I would simply pay up without questioning it. Whether it's the firm or someone using their letterhead for fraudulent activity, it's still fraud. If you receive a similar request, do not make any payments!</i>
