If you are considering seeking assistance from a Certified Public Accountant (CPA) in Beloeil, Quebec, Estelle Lemieux may come to mind. While there are various opinions about her services, understanding her practice can help you determine if it suits your needs.

Appointments Recommended and Required

When planning your visit, it is important to note that ****appointments are recommended**** for consultations. This ensures that you receive adequate attention during your meeting. Moreover, an ****appointment is required**** if you wish to discuss your tax situation or other accounting services. Be sure to call ahead to secure your spot.

Accessibility Features

For those concerned about physical access, the CPA office offers a ****wheelchair-accessible entrance**** and a ****wheelchair-accessible toilet****. These features make it easier for clients with mobility issues to navigate the space comfortably, promoting inclusivity.

Client Experiences: A Mixed Bag

Feedback about Estelle Lemieux's services has been varied. Some clients express significant dissatisfaction with the professionalism displayed. Comments indicate instances of errors in tax reporting and a lack of acknowledgment or apology from Ms. Lemieux when mistakes were brought to her attention. One client noted, "This C.P.A. made serious errors when preparing my tax report... she makes mistakes and doesn't recognize them at all." Such feedback highlights concerns about ****professionalism**** and attention to detail within her practice. Conversely, others have praised the firm for its efficiency and courteous service. One long-term client stated, "I have been doing business at this place for over 20 years. I wouldn't change places even if I moved outside the region." This dichotomy in experiences suggests that potential clients should consider their specific expectations and needs when deciding where to seek accounting services.

Value for Money

Cost appears to be a significant concern among clients. Many indicate that the fees charged by Estelle Lemieux may not align with the quality of service received. For instance, one individual remarked, "Plus, it costs too much," after experiencing issues that necessitated redoing their taxes. If budget constraints are important to you, researching options and comparing services might be wise.

Conclusion: Is Estelle Lemieux the Right CPA for You?

In summary, while Estelle Lemieux's office provides accessibility features and has a long-standing reputation, client testimonials reveal a range of experiences. If you value an experienced team and a welcoming environment, you may find it worthwhile to schedule a consultation. However, it is essential to weigh the mixed reviews and consider alternative options if you prioritize accuracy and responsiveness in financial matters.
