Garde Les Amis D'abord Inc. is a prominent ****day care center**** located in the heart of Bois-des-Filion, Quebec. This facility is dedicated to providing quality care and early childhood education. However, accessibility has been a topic of discussion among local parents.

Accessibility Features

One notable feature of Garde Les Amis D'abord Inc. is its ****wheelchair-accessible car park****. This commitment to accessibility ensures that all families, including those with mobility challenges, can safely and conveniently access the center.

Community Feedback on Service Availability

Despite the positive aspects of accessibility, some community members have expressed concerns regarding the ****service availability**** at this day care center. A parent noted their experience with the registration process, stating they registered their child on the site well in advance but never received a follow-up. "I have lived in Bois-des-Filion for over 6 years... I never received a call," they shared. This highlights an important aspect of customer service—timely communication.

Prioritizing Local Residents

While the day care center claims to prioritize city residents in its admission process, the perceived lack of follow-up has raised questions. The same parent mentioned that even with multiple facilities nearby, they had to seek alternatives in Laval after years of waiting.
