Filgo Énergie - Your Heating Oil Supplier in Bedford, Quebec

If you're in need of a reliable **heating oil supplier** in Bedford, Quebec, Filgo Énergie may come to mind. However, recent customer feedback has raised concerns that potential customers should consider before choosing this supplier.

The Importance of Reliability

Customers have expressed disappointment regarding the reliability of Filgo

Énergie's services. One long-time client reported being left with an almost empty tank despite multiple follow-up calls to the company. With promises of delivery and “automatic” service, many feel that the reality does not match the assurances made by Filgo Énergie representatives.

Accessibility Features

Filgo Énergie does feature a **wheelchair-accessible car park**, making it easier for individuals with mobility issues to access their services. However, accessibility should extend beyond physical access; it also includes the reliability of fuel delivery services. Customers struggling to maintain their heating supply during cold winters found the lack of timely fuel delivery particularly frustrating.

Customer Experiences: A Shift in Suppliers

As temperatures drop and demand increases, waiting for fuel delivery can lead to significant discomfort. Some customers reported switching suppliers after experiencing continuous delays and unfulfilled promises. Competitors in the area have been noted for their quick response times, even guaranteeing next-day delivery—something Filgo Énergie seems to struggle with.

Conclusion

While Filgo Énergie offers essential services in Bedford, Quebec, the recent customer experiences highlight a need for improvement in their delivery reliability. For those seeking dependable service, researching alternative heating oil suppliers may be prudent to ensure your home stays warm throughout the winter months.
