MacGillivray Case Boyd Law, located in Antigonish, Nova Scotia, is a law firm that provides various legal services, notably in real estate transactions. While they have established a presence in the community, reviews from clients highlight both positive and negative aspects of their service.

**Accessibility Features**

One of the key features of MacGillivray Case Boyd Law is their **\*\*wheelchair-accessible car park\*\***, making it convenient for clients with mobility

challenges. Accessibility is an important aspect when choosing a law firm, and having such facilities demonstrates a commitment to serving all members of the community.

## **Client Experiences**

Feedback from clients paints a mixed picture of experiences with the firm. Some clients report a lack of effective communication after the initial hiring process. One reviewer expressed disappointment, stating, "Communication before you hire them is fine but during and after, communication needs a lot of improvement." This highlights the necessity for consistent and transparent communication throughout the legal process. Another client noted issues regarding property disclosures, mentioning that "the previous owner did not disclose problems with the property that cost me thousands." Such concerns underline the importance of thorough vetting and client support during transactions.

## **Professionalism and Efficiency**

Despite some negative reviews, there are clients who commend the professionalism of the attorneys at MacGillivray Case Boyd Law. One individual stated, "I had a very professional and efficient relationship with the lawyer herself," suggesting that while there may be issues with support staff, the lawyers are dedicated to their clients' needs. The experience was characterized by clear explanations and timely work, which are vital in the often-complex world of real estate law.

## **A Call for Improvement**

While many clients appreciate the expertise of the lawyers, there is a recurring theme in the reviews regarding the need for improvement in staff communication and overall client service. Concerns about responsibility in handling client information have been raised, which could deter potential clients seeking reliable legal representation.

## **Conclusion**

MacGillivray Case Boyd Law offers valuable services in Antigonish, but potential clients should weigh the mixed reviews carefully. While the **\*\*wheelchair-accessible car park\*\*** and professional lawyers may appeal to many, it's crucial to consider feedback on communication and support staff. As clients navigate their legal journeys, ensuring a supportive and efficient environment will be paramount for both current and future homebuyers.
